"Soar with the Eagles"

April 10, 2012

Principal: Mary Evans
Secretary: Sandra Jenkins
Phone Number: 488-3561

Science Night

Science East and Gagetown School are expecting to have an unforgettable experience. In an effort to keep youth excited and interested in science, technology, engineering and math, students and staff are set to participate in TEKfest. This event provides hands-on activities during the school day. In the evening, community partners and STEM-based organizations will WOW everyone with activities and information on usual and unusual careers. The public is invited to get involved and celebrate TEKfest at Gagetown School May 10 between 6:00 and 7:30 p.m.

DEC Nominations

Have you considered supporting education in your community? District Education Council nominations will close on April 13th.

District Education Council (DEC) members bring local knowledge of the education issues in their communities and the interests of their constituents into broader education system discussions. Your work will help students achieve, succeed and lead happy, productive lives as a result of your input into the environment and culture of learning.

To be a candidate in the May 14th election your nomination papers must be submitted by April 13, 2012. Newly elected DEC members will begin their four year term of office in July and become an important part of shaping the goals and governance of the new school districts.

You can learn more about the role of DEC, the responsibilities and the types of meetings and consultations by visiting the new DEC website:

www.decnb.ca.

If you are interested in running for a position on the DEC you can find more information about the nomination process by contacting the Office of the Chief Electoral Officer at 1-800-308-2922 or by visiting the Elections NB website at

www.electionsnb.ca.

Movie Afternoon

Friday, April 13th students in grades 5-8 are invited to lunch and a movie, 11:40 - 2:30pm. Monetary donations for the movie will be collected. Hot dogs and soft drinks will be available for \$1.00 each. There will also be canteen items for sale.

Funds raised from this event will go towards middle level year end activities.

Heritage Fair

Just a reminder that our Heritage Fair will be held at the school on Wednesday, April 18th from 12:15-2:15.

Clubs

We have a number of clubs going on at the school.
Here are a few pictures of the students having a great time at their clubs.

Lego Club - Elementary

Art Club - Middle Level

Tie Dye Club

Tie Dyed Bandana

Cooking Club - Elementary
